PLAYERS FIRST PRODUCTION WELL RECEIVED

Performances of Weber and Stief Outstanding.

Last evening the Wartburg Players presented the first production of the year, "The Curtain Rises," a new comedy by Benjamin M. Kave.

Elsa Keating (Betty Jo Weber) has everything money can buy. She lacks charm and romance, so she engages William Melancthon (Roland Hosius), the matinee star to teach her. Ducky Kving (who he will play scenes with her. Messinger sends his understanding. Frank Kernmann (Harry Stief), who puts her through a rough time, and she develops into a physically and mentally poised actress and develops also. Frank Kernmann. She performs so splendidly in "Romance and Juliet" that the audience is almost overcome by her; but too late, for Elsa reveals that she loves his understanding.

Members of the supporting cast who did outstanding work were Dorothy Becker as Faldi, and Bernice Reutter as Mrs. Stief. The play was the first production undertaken by the new dramatic league. The Wartburg Players and the Wartburg dramatic club, but was presented in the manner that has become the custom of Wartburg. Betty Jo Weber (Elsa Keating) and Harry Stief (Frank Kernmann) delivered their performances of the evening. Many of the actors have returned to the play more after the first scene and really did a fine job of acting. One was picked up very well.

Reserve Enlisting Team Coming Here Nov. 12-13

All Branches Of Service To Be Represented.

Wartburg college will be visited Thursday afternoon, Nov. 12, by a team of five commissioned officers, who will present detailed information concerning participation of the college in the production plan for enlistment of college men in the Enlisted Reserve Corps of the army, navy, marines and coast guard.

This is in accordance with a plan whereby every accredited college and university in the U. S. except strictly theological schools, shall be visited by such boards before this semester is far advanced. Five of these boards are on tour of the approximately 220 schools in the Seventh Service Command.

The purpose of the tour is to acquaint the students thoroughly with the functions and programs of the various types of our armed forces, qualifications for enlistment, training and prospective duties in service. Presentation by a joint board is done simultaneously, thus saving time for the students, and also done in a manner non-competitive between the services and their several branches.

Dr. Herman Rausingh, former president of the Danzig senate will appear in Waverly Tuesday, Nov. 24, when he will speak on the secret aims of German nationalism, socialism, and explain what he believes concerning the future.

He speaks at St. Paul's auditorium as the second number on this winter's Wartburg college artists series.

Dr. Rausingh was formerly a confidante of Hitler, and is the author of several books on the German situation.

He is recognized as the best informed critic of the Nazi party alive and at liberty outside Germany.

The Lutheran Students Association of America is holding its annual rally on the campus of the University of Minnesota this week-end.

Wartburg does have a local chapter of LSAA, since there is a strong Lutheran League here and about ninety per cent of Wartburg students are Lutheran; but the students in the local chapter are LSAA work to a considerable extent.

WERTH RECEIVES TWO SALARY RAISES

Richard Werth, one of the five graduates whom Wartburg placed in chemical industry last spring, has thus far obtained two large salary increases. He is working with the DuPont company in Niagara Falls, N. Y.

What Chance?

No regular academic course of study, except possibly for those enlisted in the navy, is prescribed, but certain very definite objectives are to be attained. When an enlisted reservist is called to active duty, his major in college and the reservist's personal qualifications and inclinations will determine his assignment to further training, which will be highly specialized and concentrated into a minimum time period. Yet in this military assignment will make earnest effort to interrupt as little as possible, consistent with the progress of the war, the educational activities and programs of the student.

In establishment of the programs for college students, the army, the navy, the marines and the coast guard expect to have a reservist from which the respective services may draw as the agencies of war demand.

On Friday, Nov. 13, actual enlistment will take place. The members of the enlistment team will need information from the boys who are interested.

Latest Drive Nets 5,000 Pounds Scrap

Wartburg's latest scrap drive, undertaken last week by several students under the supervision of Dean Fritz, netted about 5,000 pounds of scrap metal.

In Wartburg's first drive, conducted last spring, only about 1,500 pounds were gathered.

Proceeds from the sale of all the scrap has been included in War Bonds, which when mature will be used for a student revolving loan fund.

Ex-Russian Missionary Speaks at Convention

Tells of "Russia" and Christianity? Here Thursday.

Pastor Basil A. Malof-Fetter, Russian missionary, sometimes called the "Apostle of Russia," spoke to Wartburg faculty and students in convocation on Thursday, Nov. 5.

"To many Americans, Russia is still an unknown and unexplored country," said Pastor Malof-Fetter. "Russia has gone through the phases of Socialism and Communism and is now turning to Christianity, spiritually and socially."

Communism has tried to destroy Christianity in Russia by attacking the church and trying to destroy every church and burn every Bible and then completely exterminate the Christian religion. This was Lenin's plan in 1928 when he said, 'We will build a paradise on the earth without the word of God. The very symbol of communism, the clenched fist, is held up toward the sky in a gesture of defiance.'

"Stalin, like Trotsky and Lenin, will eventually pass the way of all nostrils, as no one can challenge God's throne and long ago said Paul, 'The God of the universe speaks of the many persecutions

Many Wartburg Student Holding Down-Town Jobs

You've seen them — walking around, handing out — Frank's or Loyd's — picking up parcels in a grocery store, and men of work. The ones that sleep in classes and work at night. . . . the janitors, counter clerks, and fillers-up at service stations. The town is full of them. They're everywhere.

You've all seen these Wartburgers who can sing hamburgers like nobody's business — Schenbeck and Harstad at Roy's—Frank's and the hamburger men are Ben Emkes and George Cooley, and Lawrence and Arnold. They're mean hand at slicing the hash in the Club Cafe.

Wait. Chicken and Don Bittern are two who are pretty good at slicing game down at Fink's 60 and the Moblogas stations. Then in case you're interested, George Werth, Stauffer's, and Arnold Schueter, Meyer's drug store, mix beautiful mulkshakes.

When you read the Waverly Democrat and Independent—did you know that five Wartburgers were indispensable in putting it out? If you don't believe it, just go down any fine day, and you'll find Darlene Smith, Victor Gled and Florence Diemer in the front office, Bob Stummie in the

Notes from North Hall

is a much discussed question among the Ambassadors how Burton Schewrin's party happened to be found on the second floor of Wartburg hall on the Sunday of the homecoming.

The hospitality of North Hall is another much discussed question. Just ask Dick Reichert what those big, bad boys do to dump fresh meat. I don't know any better.

But then, the Ambassadors are very cordial. For instance, one night Tex Fischer came home a little late and got ready to go to bed—and, well, there just wasn't any bed. After looking for about 60 minutes, he finally found all the pieces which were neatly hidden.

What about the Ambassadors? Well, the Ambassadors are planning another "Whispering" party. I don't know any more dignified, they say. Women beware!

Science Club to Study Dehydrated Foods November 19

A discussion and demonstration of dehydrated foods will be led by Captain H. R. Brown at a regular meeting of Wartburg's Science club on Thursday evening, Nov. 12. For refreshments at this meeting, the uppermost dehydrated foods will be served so that those present may know how these foods taste.

Dehydrated foods are taking a prominent place in our affairs today, especially on the war fronts. All Wartburg students who are taking or have taken a course in science are urged to be present at this meeting. The uppermost membership of the club will be established, and prospective members will be urged up. All new science students are urged to attend this meeting. All new science students will not be established until the midsemester grades are released. The scientific requirement for membership in this organization is a B average in the science courses taken by the student.

No Officers.

A member should not at time pass up a chance for a group.

The Group club decided not to elect any officers so that no member may have the pleasure of being one. They also decided to hold a contest every month to determine who can write the best group letter. The best letters will be published in the Trumpet.

The names of the winners will not be mentioned so that they might not have the satisfaction of claiming they wrote it. No prizes will be given so the judges will not show any partisanship in choosing the winner. The whole student body is asked to contribute to these contests. Give your contributions to the editor. Personal grudges will not be considered since they are too common.

KNIGHTS BOW TO DUBUQUE

Spartan Win of 25 to 6 Interrupts String of Wartburg Victories.

The knight victory string was halted at four wins last Friday night when the Dubuque Spartans showed too much power for the Wartburg eleven and won 25 to 6. It was the first time this season that the Knights have been scored on and left the Spartans in undisputed possession of first place in the Iowa conference.

The passing combination of Feute-Lussow and the line smashing of big Eldon Werhane spelled the downfall of the Knights. The first quarter, although being played mostly in Wartburg territory, was battled on even terms. Neither team threatened and no scoring was done. In the second quarter, the Dubuque power began to take effect.

"Tuff" Obenaue was lost to the team in third quarter due to a head injury suffered in the second period. Red Rath took his place in the Knight lineup and performed creditably despite his inexperience.

It was Billman (Baldy) Allen all the way for the Knights in the backfield. He punted, ran and tackled consistently all night and enjoyed the old-fashioned stuff to account for many a substantial gain. He was Wartburg's shining star throughout the game. In the line, it was Fred Scherle, Fred Mueller and Dale Wulf who stood out and the onslaught of the Spartan eleven. Bob Langholz was a rock on defense also.

Behind the Varsity

JIM HUGHES

Here's to one of Wartburg's greatest sportsmen of all time, one of Wartburg's greatest unsung heroes! A Knight who has given all he has for our college, and hasn't been heralded as a great touchdown maker, or as a great-scoring forward, or a home-run hitter. His name is Erwin Heist, better known as "Butch" here on the campus. "Butch" has come into his own this year as far as I am concerned. He went out for football this year for the first time in his college career. He hasn't missed a practice since his first appearance, and has worked as hard as any other Knight. Yes, he played in a couple of games, too. But he hasn't been given much attention. Do you think he minds it? Not a bit. He's out to learn something; and if the call comes, he is ready to do his bit on the football field for the Knight football team and for the school.

Little "Butch" has also been out for basketball every year. He hasn't played much on the varsity, but that hasn't stopped him from doing something he loves to do. That has not stopped him from keeping his body in the best physical condition, and giving the boys something to work against. "Butch's" sport is tennis. He has been the organizer of the tennis team since he has been at Wartburg, and has handled the team almost singlehandedly. Why? To give Wartburg a name in another sport, even if it isn't a major one. His love of play coupled with his wonderful enthusiasm for the betterment of Wartburg, has set him up as one of Wartburg's best all-around students and athletes.

Erwin is a senior this year. He is 5' 8" tall and weighs 125 pounds. He is the best example that Wartburg has to offer in its athletic department; his example should help to produce more like him. He deserves the best encouragement the student body can give him, because in spirit and determination he has never been equalled by any other Wartburg Knight that this corner has ever known.

V-Mail Brings Word From Pfc. Bischoff

An unusual change of address has been received by V-mail from Pfc. Lester Bischoff (40-41) who is with the U. S. Army in Ireland. He writes that he is still in good health and enjoying himself. "We have had just as

much rain and cool weather here as good old Iowa has", he concludes. "I have received several letters . . . welcome them. It does a person good to read letters from friends."

"The people over here are very different from the people over there. Their talk is rather hard to understand by their accent and dialect. Their cars and trains are smaller and not as comfortable as ours."

Mr. Bischoff's address now is Pfc. Lester L. Bischoff (37942822) Mty. 161, U. S. A. P. O. 341, New York, N. Y.

SCORE EASY WIN FOR HOMECOMING

Scoring almost at will, the Wartburg Knights swept past the Western Union Eagles Saturday 38-0 to bring the Diamond Jubilee Homecoming festivities to great climax.

It was the Knights' fourth straight victory without a defeat and also left them with an untied and unscathed record.

"Baldy" Allen, the Knights' versatile left half, figured in three of the touchdowns, plunging for three yards for one and throwing passes for the other two. The first touchdown came in a pass to his brother, Elgin, in the end zone midway in the first period, and the other was a 14-yard pass thrown to Hans Sandrock in the second quarter. Allen also grabbed a punt in the fourth quarter on his own forty and threw a short lateral to "Tuff" Obenaue who rambled 60 yards to score another touchdown for Wartburg.

Bob Langholz led his job by blasting the Eagles' main out of the play to let "Tuff" by for the six-point.

The last of Wartburg's five touchdowns came on a lateral pass from Obenaue to Elgin Allen, who crossed the goal line, touched from the 13-yard line, Billman Allen converted three extra points from placement.

CAGERS BEGIN DRILLS NOV. 4

2 Letterwinners and 14 Freshmen Report at Initial Practice.

Fourteen freshmen and two letterwinners from last year comprised the first Wartburg Knight basketball squad which reported to Assistant Coach Roselius for the first time last Wednesday, Nov. 4. At least ten more cagers are expected to report next week after they have hung up their football togs for another season. The squad members are working on fundamentals during the first few practice sessions, and getting used to the feel of the hardwood once again.

Bob Engelbrecht and Ben Enkes, two high-scoring sophomores, are the only two letterwinners to report so far. As freshmen, these two tricky cagers were well known in the scoring column in their first year of collegiate basketball. In the days to come, when Coach "Tuff" Obenaue, the only other letterwinners from last year, are expected to report, these four men will form the nucleus for the 1942-43 cage quintet.

Some freshmen hopefuls have come to Wartburg with enviable high school records and will be counted upon in the campaign to come. Bill Burman, star player on the advantageous Iowa, high school team last year, Paul Koch and Herb Hatt, two Waverly, Iowa, boys, and Ben Anderson, Bill Ulrich, Noah Roemer and Merion Klem are a few of the freshmen who have reported.

Other newcomers are Wilfred Newbusher, Jerome Bangert, Don Bitters, Gus Rigert, Norman Braune, Gerald Martens, and Bob Roese.

As yet, we cannot give a definite schedule. In the past week it was found necessary to change several games and dates, and some games are still quite tentative. It is hoped that the Knights can engage one of Iowa's many service teams during the course of the season.

University of Boston summer season offered more than 250 courses.
